AND THE BEST PART WAS...

"What makes HES so distinctive is the fact that I don't have to put my life on pause in order to finish my degree. Plus, the quality of this institution is top tier. So far, every instructor has been incredible and more than accommodating. I am humbled by their intelligence and that of my peers. I have never in my entire life felt more motivated to learn. I cannot think of any other academic institution that could ever inspire me the same way HES has."
