32%	deepen expertise
17%	career change
13%	personal enrichment

1-2

of courses
most students
take each term

85%

of students are
employed full-time
while earning
this degree

AND THE BEST PART WAS...

💡 The Harvard Extension School ALM in Finance was attractive to me for several reasons. The self-paced aspect was critical for me given that I expected to work at the same time I was pursuing my degree. Another thing that made the program attractive was that it seems equally weighted in both the quantitative and qualitative aspects of finance. I had also taken HES classes before in undergrad and thought that the learning platform and process were terrific."

-Ari Neumann, Finance ALM degree candidate

STACKABLE CERTIFICATES

- Business Economics Graduate Certificate
- Corporate Finance Graduate Certificate
- Data Analytics Graduate Certificate
- Principles of Finance Graduate Certificate
- Real Estate Investment Graduate Certificate

average years of students' full-time work experience **11**

63%

have professional experience in the field

LENGTH OF PROGRAM

most: 2-4 years
accelerated: 2 courses fall and spring, 1 in January and 1 in summer

active / veteran military students

7%

97%

of recent graduates would recommend the program
