of courses most students take each term

85%

of students are employed full-time while earning this degree

AND THE BEST PART WAS...

“ Harvard Extension School has brought so much excitement to my life. Every class so far has made me feel like I have a chance to start over and grow intellectually. The professors have challenged me in ways I never knew I was capable of, whether that involved improving my writing, time management or creativity. They have also provided a lot of perspective into an industry that is still new to me.”

- current ALM Journalism student

STACKABLE CERTIFICATES

- Business Communication
- Digital Storytelling
- Marketing Management and Digital Strategy

average years of students' full-time work experience **16**
