AND THE BEST PART WAS...

“ I have really enjoyed the sense of community that I already feel with my fellow students! I was not expecting to feel this welcome and ‘a part of it’ this soon into the process of taking courses with HES, so this has been a completely welcome surprise. Feeling like my opinions are valued, being pushed but not in a demoralizing or demeaning way, but in a ‘have you ever considered a different side of this?’ way, engaging in meaningful discussion. I have loved all of it, and did not expect to feel this ‘at home’ a single semester in.”
