- 21% advance career
- 35% career change
- 20% personal enrichment

**1-2**

# of courses most students take each term

**66%**

of students are employed full-time while earning this degree

#### AND THE BEST PART WAS...

“ Studying at HES has been my own decision and I am so invested in it--and I love it. I finally study what *I'm* interested in because *I* want to. I'm so glad to have a second chance at school as an adult. I appreciate it so much more than I ever did before. The opportunity has motivated me to pursue a whole new career, and that is a challenge in itself that I am really excited to take on.”

-current ALM Psychology student

### STACKABLE CERTIFICATE

- Topics in Human Behavior

average years of students' full-time work experience **13**

**36%** have professional experience in the field
