- 22% advance career
- 13% career change
- 52% personal enrichment

1-2

of courses most students take each term

55%

of students are employed full-time while earning this degree

AND THE BEST PART WAS...

💡 My first class was fun and interesting, but I did not expect it to be deeply thought provoking. However, I continue to think over the things we read and discussed. It changed the way I think about both religion and culture. It increased my awareness of other people's experience, impacted the way I think and increased my capacity for empathy and awareness of the motivations that drive human behavior."

-current ALM Religion student

STACKABLE CERTIFICATES

- Religions of the World
- Religion and Society

average years of students' full-time work experience **16**

76% have professional experience in the field
