# of courses most students take each term

58%

of students are employed full-time while earning this degree

AND THE BEST PART WAS...

"The biggest factor that contributed to me choosing HES is the diversity of classes I can choose from, specifically catered to my professional goals. I love that my classmates are from all around the world and come from such diverse backgrounds both culturally and professionally. It has made class discussions so interesting and allowed me to connect with people I never would have met otherwise!"

-Janeen Martin, Religion ALM degree candidate
