Request for a Letter of Enrollment

Students may request a letter of enrollment for any term in the current academic year.* A separate letter is issued for each term requested. The letter includes the student's name, student identification number, term dates, course registration for the term, and credit status. It does not include grades.

The letter of enrollment is embossed and signed by the Registrar. It may be sent directly to third parties or to students in a signed, sealed envelope. There is no charge. Requests for letters of enrollment are not processed until after the 50 percent tuition refund period of each term. Letters are not issued for students who have not met their financial obligations to Harvard University. Requests for a letter of enrollment ordinarily are processed within a minimum of 48 hours from the date of receipt; however, it may take longer to process requests during busy periods. Letters of enrollment cannot be faxed or e-mailed.

* Students who need proof of enrollment for prior terms should request a copy of their transcript.
