## 2022-2023 Identity/Statement of Educational Purpose Worksheet

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) has been selected by the US Department of Education for review in a process called Verification. We are therefore required to confirm certain information you reported on the FAFSA. We will compare your FAFSA with the information you provide below. If there are differences, we will update your FAFSA accordingly. We may ask for additional information. If you have questions about the Verification process, please don't hesitate to contact our office.

You must appear in person at the Harvard Extension School Student Financial Services Office to verify your identity by presenting a valid, unexpired, government-issued photo identification (ID), such as, but not limited to, a driver's license, other state-issued ID, or passport. The institution will maintain a copy of your photo ID that is annotated with the date it was received and the name of the official at the institution authorized to collect your ID.

In addition, you must sign in the presence of the Student Financial Services staff member.

If you are unable to appear in person at Student Financial Services to verify your identity, you must provide the information below and sign in the presence of a notary. The original notarized copy of this document must then be provided to Student Financial Services.
